The screenshot shows the MacStories Projects web application. At the top, there's a navigation bar with 'MacStories' on the left and user information 'Federico Vitici | My Info | Sign out | HELP' on the right. Below the navigation bar, there are tabs for 'Dashboard', 'To-Dos', and 'Milestones'. A sidebar on the right contains a 'Create a new project' button and a 'Your projects' section with links to 'MacStories', 'Development: Depot App', 'MacStories Posts', and 'MacStories Redesign'.

The main content area is titled 'Latest activity across your projects' and features a calendar view for 'Upcoming Milestones' due in the next 14 days. The calendar shows tasks for Friday (today), Saturday, Sunday, Monday, Tuesday, Wednesday, and Thursday.
